christmas provides an opportunity for an interesting display of the work that is being done and the parents of the children are special guests of honor at the exercises, which in the case of the Falls and Boswell Avenue schools were held on Wednesday and will be held in the other schools this morning. An especial feature will be the presentation to the parents of gifts made by the pupils in the course of their work. These articles are interesting an example being a calendar on which also is placed the Norwich fire alarm system. Christmas trees occupy places of honor in all the schools and the kindergartners have done their share in decorating them and leading them with presents.
